to play, because of the hot water pipes along the walls, by which means the gymnasium was heated.

Westerville High as in former years had a "smashing" good team, and during the final minutes of the first half it was either teams' game; we finally managed at the end of the half to be one point to the good. The score being 9 to 8.

The losers made a desperate attempt to win in the last half, but our superior team work and passing was too good to be overcome, and as a result they had to burden a defeat. The score being 32 to 15 in our favor. This made our fourth consecutive victory.

L. H. S. vs. JOHN HANCOCK, ATHENS.

Putting on a circus all of our own, we easily won the game, against John Hancock "Prep" school of Athens, the score being 30 to 10.

This victory gave us seven straights won and none lost in our schedule. Hancock's loss was the first in five games played.

The work of our team as a whole was superb. We hurdled and straddled and side-stepped around the opposition with such a degree of cleverness that the losers were befuddled at all times with the antics of our offensive stars. Our display of team work and passing gave us the opportunity to return to Athens to play in the Southeastern Ohio and Northern West Virginia Tournament.

CANCELED GAME.

Their return game which was to be played Feb. 15, was cancelled owing to the illness of the Hancock players.

L. H. S. vs. WORTHINGTON.

On Feb. 8, we journeyed to Worthington and triumphed over their basketball five by a score of 39 to 6.

The game was only a fair attraction, as the Worthington boys were far out-classed by our quintet, we set the pace for them at the first blast of the whistle, and kept our old stride until the half ended, the score then stood 26 to 4 all to our good.

In the last half, the game of the previous day at Athens, and the long journey

we had made, told on us, as we did not have the necessary "pep" to keep on traveling at our old gait, never the less our reliable guards Willis and Halderman were "on the job" allowing them to add only two points, totaling their count to 6. We got 13 points making our count 39.

GROVE CITY vs. L. H. S.

The Grove City team was defeated for the second time when they met us on the Armory floor Feb. 14.

We took the tow by a score of 22 to 16. The Grove City team trailed at the end of the first half by a score of 9 to 5. Coming back in the second period with considerable vim the Grove City five rushed us off our feet for a few minutes and tied the score. We did not hesitate to awaken to the fact, and immediately took the lead again by some excellent shots.

Wolfe, our accurate forward, took Bonner's place, who was out of the game for a good reason and netted five goals, playing an exceedingly good game.

L. H. S. vs. WINCHESTER.

At Canal Winchester we almost tasted defeat; but after being forced to go to the limit we landed six points to the good, the score being 26 to 20. From the very start of the game both teams fought savagely; high power shooting and floor work was the highest point of attraction. At the half-way station we managed to be ahead 15 to 12.

The last half started out just like a "tornado" and at one period in the half we were greatly amazed, as the score board read 21 to 20, finally the splendid teamwork of our five asserted itself and we forged ahead for another victory.

More than a hundred fans accompanied us to Winchester by traction and auto, courteous treatment was afforded by the school management, but the outside people were found to be the same as always, "incessantly arguing and fighting."
