

## G. A. C.

The aims of the Girls' Athletic Club are to promote interest in health, sportsmanship, and recreation. This year the main project of the Club was the purchase of a "snazzy" new electric score board for the gymnasium.

The requirement for membership is 350 points, earned by participating in intramurals. If a girl isn't too exhausted after that, she may earn a numeral requiring 750 points, a letter for 1500 points, and if she is really stouthearted, a bracelet for 2500 points.

## GYM LEADERS

It would be an almost superhuman feat for one person to handle gym classes as large as those of Miss Gesling and Mr. McCashen without assistants. To solve this problem, a few of the better athletes are assigned to each gym class to help out. Their job is to set a good example for those students just "learning the ropes" and to help in issuing towels, refereeing, and various other tasks.
