

## FOOTBALL TEAM

The 1949 Gales, with a strong nucleus and a fine group of replacements, came up with a season record of 7 in the left-hand column and 2 in the column on the right. The Gales started the season with a 25-50 win over Logan, their arch opening foe. They then proceeded to rack up consecutive victories over Linden McKinley, 33-6; Coshocton, 26-6; and Cambridge, 51-0, before trekking to Zanesville, where they absorbed their first defeat of the season, 21-14, at the hands of the Blue Devils. Then came the heralded Newark game. Although the boys played their very best, it just wasn't good enough and the Wild Cats emerged victorious by a 7-0 score. After this two-game lull, the Gales stormed back to cut down Cincinnati Norwood 67-0. We then won our last two C. O. L. games from the Marietta Tigers and the Dover Crimsons by scores of 19-6, and 25-6.

The Gales, although losing two games, finished with a season record of which any team and fans might be proud.
