Toot, toot-toot, toot, — toot, toot—squeak,  
The orchestra plays gaily away.  
Let's open the doors and just have a peek—  
Listen! — Its "Anchors' Aweigh."

Without the band at a football game  
We wouldn't know what to do,  
For it spurs the team to gridiron fame—  
And the spectators like it, too.
