

Senior Float
FULTON'S FERRY

Junior Float
ELLA THE ELEPHANT

As is the annual custom at LHS, each class built a float for the Homecoming festivities. The competition was fierce; and, as usual, everyone was sure that his was the greatest artistic masterpiece of all until the final vote was reported. As a result of the judging, the Juniors captured first place with Ella the Elephant, the Seniors placed second with Fulton's Ferry, and the Sophomores placed third with their Locomotive.

Sophomore Float
LOCOMOTIVE
