

Although we have a small backlog of Mirages and obituaries we are still working, obviously obituaries for any of the deceased LHS classmates either listed without an obituary or completely missing from the Remembrance Pages are probably still needed. We generally get to Ohio a few times a year and try to pick up images of Mirage yearbooks and obituaries when we get a chance.

You can help by letting us know if any of your classmates are deceased and not listed in the Remembrance Pages. You can take a picture or scan an obituary and forward it to us. The Lancaster Chapter of the Ohio Genealogical Society has a large collection of obituaries.

Here is a partial list of some of the obituaries we still need. Chet@LHS60.net.
