

To Carol,

Remember the fun we had we & lived in the country? Remember how you had to put up with my hateful boys and having nothing to do with them? Boy am I a pain in the neck. I think that your right, boys aren't so awful after all. Thank for putting up with me. Lots of Luck always. Your Pal. Karen Febus

Wishing you the best of luck in the remaining years Ruth Nutter '68"

Carol -
To a real nice girl that I always see in the tea room.
To Carol,
To a very nice girl with a good personality.
