To that Carol Carroll Kid -

There's not really much I can say
to you kiddo, you know me like a
book and if I started to write every-
thing it would take a book.

You know I really value our
friendship, to me you're a real gem.
Thanks for being such a pal
through all our ups and downs. You've
been a real good listener and
consoler. Best of luck to you and
Rannie and don't let him forget all
our times together at Greendale and
don't let go of him. I want you with
me in Logan.

Your adopted sister,
Jean Claffey
(Mrs. Virgil L. Richards)
(you & I both
hope)
