

you are the most sincerest girl I have ever met

To Carol,

One of the sweetest, nicest, and cutest girls I know. You are a real comfort and good listener. A little nut at times.

Florida grows oranges,
California too,
But leave it to Lancaster
To grow a peach like you.

I shall never forget you and all the wonderful hours we spent together. May God bless you and give you the things that would be good for you. Good luck in all your attempt. You may think I need my head examined so I will have it done sometime. Ha! Ha! you know what I mean.

A sob - a tear - a sad goodbye
and he's gone
A smile - a sigh - another guy
and life rolls on.

Leaves may wither,
Flowers may die,
Friends may forget,
But never shall I.

Love,
Shirley
