GUESS WHO?

Richie dear,

To the sweetest guy I've ever known. Also
the guy I enjoyed best of all the other guys.
(all of them). Remember the night we were all
singing and you said Richen on the window
also don't forget the night we were with
Sharon and Roger and I went to ask a boy
who won the game and the window was
closed. But I guess we all have our bad
days, don't we?
Well I guess I've
Richen about enough
So I will just
sign off here
Sis
