ARRGH! MATEY'S!

Tom and Carolyn Ray-Aucreman have invited us to their "Pirate House" at the Buckeye Lake for a tour of their "Pirate Ship" and to enjoy the viewing of a very extensive Pirate Collection and Lifesize figures from their years of vacationing. You will be made to feel right at home. Come, relax, socialize and enjoy a Fall Dessert, too!

This tour will begin by meeting/parking at the First United Methodist Church parking lot, which is located at the corners of North High and Mulberry Streets. We will be leaving at eleven o'clock to travel Rt. 37 to Rt. 79 to stop for lunch at the Pizza Cottage. Just a short distance away, we will stop to tour the Buckeye Lake Museum from one o'clock to two o'clock. It will take approximately thirty minutes to arrive at the Aucreman's Pirate House at Thornport, Ohio. We hope to return to Lancaster by 7 pm. Volunteer drivers will be needed. (Refer to the Reservation Form)

SENTIMENTAL JOURNEY BOOKLET

Those classmates attending our 50th Class Reunion on Friday and/or Saturday night will be given a free copy of "Our Sentimental Journey" Booklet, which is a collection of photographs from our Grade Schools, Lancaster High School and a "Historical Perspective of the Lancaster City Schools from 1830 to 1987.

The Committee is fortunate to have the guidance of Mr. Bill Venrick in helping us publish this very unique booklet.

We are searching for class photos for East School and Cedar Heights. It has been difficult locating anything regarding the Utica School. If you have any snapshots of school events, Boy Scouts, Blue Birds/Campfire Girls, dances, parties, sports, band events and Classic "Guy" Car photos, we would like very much to borrow them. Names of classmates and teachers will be very helpful. Please include your name and address for their return. These photos are **NEEDED BY APRIL 10th**.
